SPORTS PROVISION

2023-2024

About Us

The Featherstone Rovers Foundation is the official charity of Featherstone Rovers RLFC, registered Charity No. 1118452. We deliver projects and activities within the Featherstone, former 5 towns area and wider parts of the Wakefield District.

We use the power of sport and the Featherstone Rovers RLFC reputation to give the community skills to lead fulfilled, healthy and active lifestyles. Last year we engaged with over 26,000 people, across the Wakefield District.

Our excellent reputation, for high quality delivery, has seen the variety of activities and programmes that we run develop and expand to meet the needs of those taking part and to reach out to those who are not. Diversity in activities allows us to engage participants from a wide range of different backgrounds and encourage a greater community spirit, celebrating individual as well as group achievements.

Our aim is to inspire and motivate individuals to create positive changes in their community, through delivering activities under our five focus areas:

- + **Health**
- + **Social Inclusion**
- + **Learning**
- + **Physical Activity**
- + **Heritage and Arts**

We work with primary and secondary schools, community clubs and voluntary organisations and run holiday camps, rugby festivals, community days and health and education projects to engage with both children and adults from all over the community.

School Sports Mission

At Featherstone Rovers Foundation, we endeavour to use the power of sport and physical activity to Inspire and motivate every Individual we work with!

Our packages are designed to support all aspects of physical education in schools and can be tailored to meet the exact needs of every school we work in.

Our highly qualified coaches are committed to delivering Fun and interactive PE lessons, focused on ensuring each child is given the opportunity to develop and grow in confidence, whilst meeting all learning outcomes.

We support the National Curriculum's aims by offering a wide range of physical activities designed to improve the physical literacy and competence of all pupils, raise the profile of sport in schools and champion the importance of leading a healthy lifestyle.

Testimonials

The Featherstone Rovers Foundation is a fantastic local community link and helps pupils develop and interest in sport. Quality PE lessons have been delivered and pupils have been inspired and challenged to help build, skills, resilience and confidence. Children have embraced sessions where they have learnt about their own bodies and the impact that sport can have on health and well-being.

The Foundation have also provided strong links to local community sports clubs which has encouraged a massive number of pupils stay engaged in sport outside of school! All coaches have set a good example to our students by conducting themselves in a highly professional and dedicated way.

We are delighted to have signed up for 2023/24

Scott Bland,

St Thomas C of E Primary School,
Featherstone

Working with Featherstone Rovers Foundation has made massive difference to our students.

The opportunities the foundation provide for our children such as meeting professional sportsmen and women, visiting the Stadium and chances to take part in Matchday activities are invaluable in raising aspirations and also providing strong positive role models!

Regular opportunities to compete against other schools have also been great and we have noticed real improvements in our children's teamwork, leadership, and communication skills.

Bethany Graham,

North Featherstone Junior and Infants School
Class Teacher and Sports Co-ordinator
